

Take the Challenge

Hunt by Number

 15 Minutes

Instructions:

1. Your task is to take a bag and go around the house (and/or outside) and collect the following items. Try to make all the items fit inside your bag!
 - 1 square item
 - 2 sparkly items
 - 3 striped items
 - 4 items that are the same shape
 - 5 multi-colored items
 - 6 items that are smaller than your hand
 - 7 items that are the same color
 - 8 items that a person can wear
 - 9 green items
 - 10 items that connect to something Jewish
2. When you're finished, you will read the printable point calculator and calculate how many points you earned.
3. How many points did you earn?
